

Declaration of Conformity

We hereby declare that the products of Wigersma & Sikkema B.V. comply with the requirements and provisions of the following European directives and regulations:

RoHS Directive (2011/65/EU and subsequent amendments)

Our products comply with the Restriction of Hazardous Substances (RoHS) Directive, which ensures that the use of hazardous substances such as lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls (PBBs), and polybrominated diphenyl ethers (PBDEs) remains within the permissible limits.

POP Regulation (EU) 2019/1021

Our products comply with the regulations for Persistent Organic Pollutants (POPs). We declare that no prohibited POP substances are used in our products and that we adhere to the specific restrictions outlined in the POP Regulation.

REACH Regulation (EC) nr. 1907/2006

Our products comply with the requirements of the REACH Regulation, which includes:

- Registration of chemical substances used, where required.
- Avoiding or minimizing the use of Substances of Very High Concern (SVHCs) as listed by the European Chemicals Agency (ECHA).
- Communicating relevant information about SVHCs to our customers if the concentration of such substances in our products exceeds 0.1%.
- Complying with restrictions on certain chemicals as specified in Annex XVII of the REACH Regulation.

Wigersma & Sikkema B.V. acknowledges its responsibility to ensure that all its products comply with relevant environmental regulations and standards. We are committed to minimizing environmental impact and ensuring the safety of our users and employees.
